

CINO103153 – Lecturer in Building Maintenance and Construction (Wet Trades)

Hours:	29.6 hours per week, 52 weeks per year
Salary:	£29,510 to £36,268 Pro-rata
Actual Salary:	£23,608 – £29,014.40 per annum
Additional:	Plus Golden Hello of up to £5,000
Duration:	Permanent
Location:	Colchester

Are you ready for your next career move in a dynamic and rewarding environment? Do you want to pass on your industry skills to students and get trained in-house?

This is an exciting opportunity for a Building Maintenance and Constructions professional to teach building maintenance and associated subjects - specialising in wet trades including plastering, tiling and brickwork.

In addition to this you will have a significant industrial experience within the construction/building maintenance sectors along with supervisory experience and/or experience in dealing directly with customers, clients or students.

The successful applicant will hold a Level 3 qualification or equivalent in a construction-based discipline or a related subject and be willing to obtain a recognised teaching/training qualification if not already held.

If successful, you will be welcomed to the College with a full induction programme to support you in your new role. The College is also committed to staff development and offers an excellent staff benefits package.

To apply please complete our online Application form on our website.

Please contact Human Resources on jobline@colchester.ac.uk or call 01206 712333 if you have any queries or would like further information.

Additional Information

Colchester Institute is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.

We strive to be an Equal Opportunities employer. All applicants who are offered employment will be subject to a Criminal Records check from the Disclosure and Barring Service.

Please visit our website www.colchester.ac.uk to obtain further details about the College.

Colchester Institute Job Description

Job Title:	Lecturer in Building Maintenance and Construction (Wet Trades)
Regulated Activity:	Yes
Responsible To:	Business Development Manager (Construction and Engineering)
Line Management of other staff:	No
Location:	Colchester
Salary:	Range L30-37

Purpose Statement:

To teach building maintenance and associated subjects specialising in wet trades including plastering, tiling and brickwork.

Main Duties & Responsibilities:

1	To prepare teaching/learning materials.
2	To conduct teaching/learning activities appropriate to the needs of individual students, courses and the curriculum, keeping attendance records and maintaining student discipline.
3	To set, mark and record relevant coursework and assessments.
4	To counsel and guide students in respect of their academic progress and, as appropriate, their pastoral concerns and needs and making referrals to specialist services as appropriate; contributing to student reports and references as required.
5	To contribute to the work of subject and programme teams, committees and boards, as appropriate.
6	To, at all times, maintain high expectations of learner's work, commitment, and behaviour, taking action to ensure the highest of standards are met.
7	To continuously evaluate and improve the quality of learning and teaching within your sessions utilising and engaging with the college's development and observation programmes.
8	To contribute to the development of curricula and specialist facilities within the area.
9	To actively promote the Institute's programmes, attend open evenings, parents' evenings, careers events, school visits and similar marketing and publicity activities.

10	To maintain and extend links with external organisations as appropriate.
11	To participate in the college's performance and development review scheme.
12	To develop and update personal professional expertise in the relevant subject areas.
13	Adhere to and promote the College's Safeguarding, Equality & Diversity, College Values and Health and Safety policies and practices.
14	To undertake any other associated duties determined by the college.

This job description is current as the date shown. It may be amended in any way following consultation with the post holder to take account of changes or anticipated changes in the organisation or management of Colchester Institute
