Work Based Tutor in Engineering

Location: Derby

Salary: £24,500 – £36,000 per annum

(39 hours per week/52 weeks per year)

A vacancy has arisen for an experienced, enthusiastic Work Based Tutor within our Engineering Department to mentor, coach and assess with an emphasis on Electrical Engineering Apprenticeships.

The successful candidate will be required to carry out workplace visits to a caseload of learners providing teaching & learning, coaching, mentoring and assessment for successful completion of their chosen qualification.

The Work Based Tutor will work with the learner/employer and internal departments to ensure all elements of the apprenticeship are completed to ensure timely success for the learner. The applicant will be responsible for the whole learner journey including advice and guidance, enrolment onto the correct programme of learning, delivery, employer liaison and EPA completion.

Applicants must have occupational competence in the qualifications detailed above and hold the Assessors A1 Award (TDLB D32/D33) or TAQA 301 Award, and be willing to work towards the V1 Award (TDLB D34) TAQA 401 Award. Training/Teaching/Basic Skills qualifications would be an advantage, although not essential. Excellent communication skills and a professional outlook are essential. Flexibility to work additional hours when required and undertake substantial travel is also essential.
