

JOB DESCRIPTION

Post:	Motor Vehicle Technician
Responsible to:	Curriculum Manager
Pay Band:	4

JOB PURPOSE

To carry out student workshop assessments and provide technician services for the motor vehicle workshops, teaching staff and students

MAIN TASKS

- Ensure all users of motor vehicle workshops comply with appropriate health and safety procedures including maintaining COSHH, PAT and other statutory records. Carry out H&S risk assessments as required.
- Carry out student and apprenticeship assessments up to level 3 to meet the requirements of the Award Body both in college and in the workplace.
- Maintain assessment records and prepare assessment performance tracking for internal and external verification.
- Carry out internal verification where required under the guidance of teaching staff.
- Provide support for teachers through routine maintenance of all workshop physical resources, including powered and hand tools. Ensure appropriate records of equipment are maintained as required by the college. Develop teaching aids for classroom or workshop use as directed by teaching staff.
- Obtain quotations for equipment purchase, advice on technical issues and assist teaching staff in selecting appropriate equipment and materials.
- Ensure that and workshops are kept to a high standard of presentation ready for classes by liaising with the teaching staff delivering the curriculum in order to support their teaching.
- Supervise students in both the operation of processes, tools and equipment, and the acquisition of skills and techniques where appropriate under the guidance of teaching staff.
- Participating in Programme Area promotional and marketing activities where required.
- To support, contribute to and take personal responsibility for implementing the College's commitment to Equality and Diversity.

Other Duties Applicable To All Staff Working At Abingdon and Witney College

- Take personal responsibility at all times for ensuring the welfare of students, apprentices and visitors by ensuring their access to the support, services and resources available. It is expected that all members of staff will play a part in ensuring that all students are safe, happy and complete their programmes successfully.
- Comply with College procedures in relation to Safeguarding and the Prevent agenda.
- Participating in a programme of personal development.
- Keeping abreast of developments in your area.
- Adhering to the Health and Safety policies and procedures in force within the College, with particular regard to your own safety and that of other people using the College.
- Adopting high standards of customer service.
- Staff must abide by any College policies in relation to dealings with staff and students, e.g. communications, equal opportunities and employment policy.

As a term of your employment you may be required to undertake such duties as may reasonably be required of you, commensurate with your grade, at any of the College sites.

The College reserves the right to amend the job description in consultation with the employee to reflect changes in the duties of the post.

SAFEGUARDING AND PREVENT - Abingdon & Witney College is committed to:

- ensuring the well-being of all young people and vulnerable adults in its care
- ensuring all students, staff and stakeholders are aware of the need to prevent people from being drawn into terrorism

EQUAL OPPORTUNITIES - Abingdon & Witney College aims to be an equal opportunity employer. We are committed to the policy that staff recruitment shall be carried out in accordance with equal opportunities practice and legislation and that appointments shall be made only on the basis of job- related criteria.

Abingdon and Witney College is committed to good practice in employing people with disabilities. To this end the College will:

- Interview all applicants with a disability who meet the minimum criteria for a job vacancy and consider them on their abilities.
- Ask disabled employees at least once a year what can be done to be sure that they can develop and use their abilities at work.
- Make every effort when employees become disabled to make sure they stay in employment.
- Make sure key employees develop the awareness of disability needed to make this commitment work.
- Review these commitments annually.
