

Instructor/Assessor

Department: Technology, Marine & Renewables

Reports To: Academy Manager

Job Purpose:

To deliver and assess all forms of practical and academic study, maintaining standards expected by award making bodies, industry and students; to develop appropriate teaching techniques and materials which meet new educational initiatives. To contribute to the overall development and promotion of the College, Department and Section, both internally and externally.

Key Responsibilities:

1. Deliver academic curricula and practical training programmes to students taking account of other inputs from the teaching team, using appropriate teaching techniques to ensure high standards and low student turnover, and to act as personal tutor to students.
2. Prepare teaching materials, practical exercises and assessments in line with the syllabus and in conjunction with others. Assist in the academy's development of programmes.
3. Support and contribute to the planning and delivery of Functional Skills, PLTS and ERR as appropriate.
4. Set and mark programme work, examinations and assessments.
5. Attend and take an active part in programme team meetings.
6. Conduct research into new industrial developments and new educational initiatives, incorporating these into the curriculum when required.
7. Identify new areas for programmes in conjunction with the Academy Manager and the teaching team, thereby supporting the marketing of the Academy's work; assist in the recruitment, selection and induction of students.
8. Prepare student reports as required by programme organisers and external administrators.

9. Maintain student welfare and discipline, providing guidance and counselling when required, including liaison with parents and other sponsors.
10. Carry out assessment of candidates across the range on NVQ programmes.
11. Undertake internal verification in line with Awarding Body and College requirements.
12. Assist with the recruitment and selection of learners.
13. Liaise with technicians to ensure the appropriate provision of materials.
14. Maintain student registers and absence reports in line with departmental requirements and comply with other administrative procedures and College regulations.
15. Develop external contacts to maintain knowledge of industry practice, providing technical advice if appropriate.
16. Liaise with Student Services and other sections to progress expertise in student assessment, welfare, attendance, counselling and discipline; contribute to the development of extra-curricular life.
17. Liaise with employers, training providers, trade associations, parents and other bodies on student vocational and curriculum issues, developing appropriate two-way communication.
18. Undertake such other duties commensurate with the grade of the post as may reasonably be required and you may be required to be trained to administer First Aid.

NOTE

This role profile is intended to provide an overview of the role in the context of the ambition of City College Plymouth.

The overview of responsibilities is listed for convenience and is not in any order of priority or significance. It is agreed that the significance of different aspects of the role will vary at different times and that all accountabilities are of potentially equivalent significance.
