

## School of Engineering & Motor Vehicle June 2021

Riverside College is a highly popular and successful further education college conveniently located in Widnes and at the hub of the Mersey Gateway, within easy reach of Liverpool, Manchester and Chester. We currently cater for over 3,000 16-18 students, 600 full time adults, 700 apprentices, and deliver a range of Higher Education and part time adult courses.

You will be working in the College's £3.6 million Engineering and Construction Skills Centre which boasts state of the art equipment and outstanding workshop environments.

The School of Engineering and Motor Vehicle offers the following programmes:

- Engineering Technology Level 3 Diploma
- Performing Engineering Operations Level 2
- Engineering and Technology Level 1 Diploma
- Diploma in Light Vehicle Maintenance and Repair Principles, VRQ Level 2 and 3
- Multi-skills Engineering
- Motorsport Engineering
- Welding and Fabrication
- Renewable engineering skills

We require a strong Electrical Engineer, with an ability to deliver outstanding provision. You will be expected to have sound knowledge of current pedagogical practice with a proven track record of improving progress and attainment.

The successful candidate will demonstrate a detailed understanding of curriculum developments in Engineering and modern Electronics & Electrical installation practice, demonstrate high quality electronics and panel wiring skills. You will be conversant with PLC operation and electrical maintenance.

Last year our students achieved exceptional results, putting our college amongst the top in the country. We achieved a 100% pass rate, 93% high grades and 43% Distinction Star grades resulting in a record number of our students progressing to university.

Following an Ofsted inspection in early March 2020, the College has been given the highest possible rating by Ofsted who have judged the college to be **OUTSTANDING**. After a meticulous review of the College, inspectors made the following judgements:
