

## Job Description: A level Maths Lecturer

### Role Specific

#### **Teaching Responsibilities**

1. Teach A-Level Maths, Further Maths, Statistics and or Core Maths, delivering effective learning for students.
2. Plan and prepare and deliver high quality teaching and learning as required by your Line Manager to the appropriate number of hours (810 hrs or pro rata per annum).
3. Develop and share resources for the course/subject including maintaining effective links across College for resources.
4. Deliver enrichment and enhancement activities.
5. Maintain comprehensive, up to date, student/course/subject records and provide information as requested.
6. Be responsible for the appropriate administration of exam entries for the course/subject and liaise with external awarding bodies as appropriate.
7. Ensure close liaison and good communications with other staff in matters concerning students.
8. Use College systems to track and communicate student progress.
9. There may be an opportunity to deliver other related subjects.

#### **Student Responsibilities**

1. Act as a Personal Tutor.
2. Value and support students to achieve their full potential.
3. Effectively manage the behaviour of students.

#### **Curriculum Development**

1. Engage in curriculum development and planning activities, individually and as a team.

#### **Quality**

1. Participate in standardisation/verification and moderation as required.
2. Ensure provision is aligned with best practice nationally.

#### **Team Responsibilities**

1. Take responsibility as required for the development of a relevant curriculum area.
2. Take responsibility for achieving the section's targets in retention, attendance, achievements, high grades, added value and student satisfaction.
3. Represent the Programme/Division/College as required.

## College Responsibilities

1. Share the College's Vision, Mission, Values, Behaviours and communicate them effectively
2. Participate in Staff Review and Professional Development activities and be actively involved in the College's culture of high expectation
3. Value diversity and promote equality
4. Engage in marketing activities and liaison with employers and the wider community in line with College strategies
5. Contribute to cross-college events
6. Adhere to College policies and procedures including health and safety
7. Ensure good communication at all levels
8. Be responsible for safeguarding and promoting the welfare of children, young people and/or vulnerable adults
9. Any other duties that the Principal considers appropriate
